Policies & Registration

Extended day and enrichment programs require a session commitment. If a student enrolls in an extended day or enrichment program mid-session, the entire month's fee will be charged. For example, a student enrolling in early care on October 18th will be billed for the entire month of October. Fees will not be reduced once a fee agreement is signed. Changes in extended day and enrichment programs for session 1 may only be made through August 1st, 2019 due to staffing. Additions to extended day and enrichment programs for session 1 may be made after August 1st if space is available. Once the school year has begun, changes in extended day and enrichment program scheduling may only be made at the start of session 2. Enrichment programs for Session 2 will be announced in December 2019 with open registration through January 10th. Lunch bunch pricing is included in all enrichment programming, including nap/quiet time, for SDEDS students also enrolled in a morning program.

SDEDS does not offer refunds for absences in any academic or extended day program.

A special note about students enrolled in full-day Pre-K:

Your child is automatically enrolled in our Monday, Wednesday, and Friday enrichment clubs for the entire school year, and our T/Th Kinder Club for the school year. If you would like to add before care, or after care to the 9 to 3 full day, you must register for those.

Drop-in rates:

We strongly encourage parents who need extended day care on a regular basis to enroll by session. Drop-in or occasional care may only be accommodated if there is space available. Please see the drop-in rates by program below:
