ST. DAVID'S
EPISCOPAL DAY SCHOOL

SILENT AUCTION FUNDRAISER SPONSORSHIP OPPORTUNITIES

SATURDAY, MARCH 7TH 2020

about

St. David's Episcopal Day School's curriculum is grounded in Christian values and aimed at nurturing whole-child development through engaging, self-directed, hands-on learning activities intertwined with thematic units. Programs are further enhanced with the arts, physical education, technology, Spanish, nature-based learning, character development and Christian formation. We value process, over the product and embrace creative, innovate thinking while celebrating the joy and wonder of childhood.

the auction

The 1st Annual SDEDS Silent Auction Fundraiser was last Spring and we raised over \$40,000 for state-of-the-art technology and environmental education experiences for students. This year, we are looking to raise funds for building and security upgrades that would include an intercom system, an interactive communication center and additional on-site cameras. Our fundraising efforts would not be possible without the support from our community. A large part of our community is St. David's Episcopal Church. Along with SDEDS Families, church parishioners are also invited to attend the Silent Auction Fundraiser. We anticipate over 150 attendees given last years attendance.

program sponsorship opportunities

The Silent Auction Program will be passed out to each attendee as a preview of the nights events along with featured auction items. Sponsorship opportunities are offered in full, half and quarter page options throughout the program. Being a sponsor will help us reach our fundraising goal while advertising your business to a diverse group of families, school faculty and St. David's Church Parishioners. We appreciate your support!
