Tuition Policies

All academic programs listed on the first page require a yearly commitment, and various payment plans are offered. Tuition will not be reduced for an academic program due to a family’s scheduling change once an enrollment contract is signed, as we make important staffing decisions based on the amount of time students are enrolled.

Families are encouraged to make a yearly commitment to extended day programs and fees will be billed on a monthly basis. Extended day programs can be added at any time if space permits. If a student enrolls in an extended day program mid-session, the entire month’s fee will be charged. For example, a student enrolling in early care on October 18th will be billed for the entire month of October.

SDEDS does not offer refunds for absences in any academic or extended day program.

Drop-in rates:

We strongly encourage parents who need extended day care on a regular basis to enroll by session. Drop-in or occasional care may only be accommodated if there is space. Please see the drop-in rates by program below:

Early care - \$20 per day

Lunch bunch - \$12 per day

After-school activities - \$20 per hour

Enrichment club - \$50 per day

Fees & Deposits:

To apply to SDEDS there is an annual \$50.00 non-refundable application/re-enrollment fee. Please note that a completed application does not guarantee admission for a child. SDEDS requires a \$350.00 non-refundable deposit with enrollment contracts which is applied to the annual tuition.

Tuition Payments

St. David's Episcopal Day School has partnered with Brightwheel to manage tuition payment and collection for the 2022-2023 school year. Details such as tuition balance, enrichment, lunch bunch and extended care fees will be posted to your account. A secure Log-in ID enables parents to view this information at any time of day, or to update personal information.

At the time of enrollment, families are required to sign-up in Brightwheel and submit the \$350.00 deposit to secure their placement at the school. Families are required to enroll in Brightwheel. Brightwheel has the option for autopay which can save families from accruing any late payment fees. SDEDS highly recommends connecting your bank account instead of using a credit card to make the monthly payments as the processing fees for credit cards are much higher. Brightwheel charges a 12% processing fee on all credit card transactions and a \$.60 processing fee on all bank payments.

SDEDS offers a 1% discount for tuition payments made in full by July 15th, less the deposit. Payment options include triannual payments (due July 15th, November 15th, February 15th) and bi-annually (due July 15th and January 15th).

Tuition Assistance

In support of our mission, St. David's Episcopal Day school is committed to providing affordability for all. Through our tuition assistance program, families who may not otherwise be able to afford private school or those that are experiencing temporary hardships can apply for need-based financial support. To apply, please select the option on the application form or email admissions@sdeds.org.
