

Tuition Policies and Agreement

- I agree to enroll in the online billing and payment system used by the school.
- I understand tuition is not subject to discounts for holidays, emergency closures (i.e., weather, building repairs), or absence.
- I understand that the **first tuition payment is due by July 15th** and subsequent payments are due based upon your selected payment plan.
- I understand that by signing this enrollment agreement, **I will be held responsible for payment of my child's tuition for the 2023-2024 school year, even if I withdraw my child from the school.**
- I understand that tuition refers to any programming between the hours of 8:00-4:00, including, but not limited to enrichment and drop-in programs.
- I understand that in the event of a state mandated closure, tuition will not be refunded. Tuition will not be collected for any additional full month during which the school remains closed. Tuition for the month of opening will be prorated.
- I understand that distance learning will be provided should a closure due to COVID-19 occur.
- I understand that tuition will not be reduced for an academic program due to a family's scheduling change once an enrollment contract is signed, as we make important staffing decisions based on the amount of time students are enrolled.
- I understand that enrichment programs require a session commitment but can be added if space permits.
- I understand that if I enroll my child in an enrichment program mid-session, the entire month's fee will be charged.
- We strongly encourage parents who need extended day care on a regular basis to enroll by session. Drop-in or occasional care may only be accommodated if there is space.
- I agree to pay the full tuition for the school year even if my child is absent for one or more days.
- I understand a late fee of \$40 is due if tuition is not received on time and will be charged through Brightwheel.
- I agree to pay a non-refundable application fee of \$50 which is due yearly at the time of application.
- I agree to pay a **non-refundable \$350 deposit** at the time of enrollment, which will be applied to your total annual tuition.
- I understand a late pick up fee of \$1 per minute per child is due if my child is not picked up before closing.
- I understand that my child may have the opportunity to participate in a special program or field trip that may have an additional fee due before the day of the event. A specific permission slip may be required.
- I understand that a student's participation in SDEDS programs may be terminated if my account reflects a past due amount of greater than 1-month of tuition and fees.

Tuition Policies

All academic programs listed on the first page require a yearly commitment, and various payment plans are offered. Tuition will not be reduced for an academic program due to a family’s scheduling change once an enrollment contract is signed, as we make important staffing decisions based on the amount of time students are enrolled.

Families are encouraged to make a yearly commitment to extended day programs and fees will be billed on a monthly basis. Extended day programs can be added at any time if space permits. If a student enrolls in an extended day program mid-session, the entire month’s fee will be charged. For example, a student enrolling in early care on October 18th will be billed for the entire month of October.

SDEDS does not offer refunds for absences in any academic or extended day program.

Drop-in rates:

We strongly encourage parents who need extended day care on a regular basis to enroll by session. Drop-in or occasional care may only be accommodated if there is space. Please see the drop-in rates by program below:

Early care - \$25 per day

Lunch bunch - \$15 per day

After-school activities - \$25 per hour

Enrichment club - \$55 per day

Fees & Deposits:

To apply to SDEDS there is an annual \$50.00 non-refundable application/re-enrollment fee. Please note that a completed application does not guarantee admission for a child. SDEDS requires a \$350.00 non-refundable deposit with enrollment contracts which is applied to the annual tuition.

Tuition Payments

St. David's Episcopal Day School has partnered with Brightwheel to manage tuition payment and collection for the 2023-2024 school year. Details such as tuition balance, enrichment, lunch bunch and extended care fees will be posted to your account. A secure Log-in ID enables parents to view this information at any time of day, or to update personal information.

At the time of enrollment, families are required to sign-up in Brightwheel and submit the \$350.00 deposit to secure their placement at the school. Families are required to enroll in Brightwheel. Brightwheel has the option for autopay which can save families from accruing any late payment fees. SDEDS highly recommends connecting your bank account instead of using a credit card to make the monthly payments as the processing fees for credit cards are much higher. Brightwheel charges a 12% processing fee on all credit card transactions and a \$.60 processing fee on all bank payments.

SDEDS offers a 1% discount for tuition payments made in full by July 15th, less the deposit. Payment options include:

Triannual (payments due July 15th, November 15th, February 15th) and

Bi-annual (payments due July 15th and January 15th)

***Monthly tuition payment agreements may be considered on an as needed basis. Please contact Margaret Biester to make arrangements.*

Tuition Assistance

In support of our mission, St. David's Episcopal Day school is committed to providing affordability for all. Through our tuition assistance program, families who may not otherwise be able to afford private school or those that are experiencing temporary hardships can apply for need-based financial support. To apply, please select the option on the application form or email mbiester@sdedes.org.
